

Systems Approach To Nursery Certification

Training Subcommittee

Collin Wamsley
Missouri Department of Agriculture

Subcommittee Members

- ▶ Collin Wamsley, MO – Co-chair
 - ▶ Gary McAninch, OR – Co-chair
 - ▶ Ann Gibbs, ME
 - ▶ Joe Collins, KY
 - ▶ John Rochelle, TN – H.I.S. Representative
 - ▶ Kara Spofford, MD – PDC Representative
 - ▶ Tim Bergstrom, MD – PDC Representative
- 

Training Goals

▶ Short-term Goals:

- Ensure that pilot state SANC auditors and their managers are **confident in the processes and desired outcomes** of the SANC pilot program.
- Provide pilot state auditors with additional training materials or assistance as needed.

▶ Moderate-term Goal:

- Obtain good feedback from pilot state SANC auditors and their managers to move forward with development of training modules.

▶ Long-term Goal:

- Work with PDC to develop training modules

Training

- ▶ Materials for regional H.I.S. interstate inspections
- ▶ Post-interstate inspection survey form and summary
- ▶ PDC presented compressed overview of Understanding Audit at H.I.S. meetings
- ▶ Facilitated distribution of “Central State’s Nursery Inspector’s Guide” and “Coincide” to H.I.S. members and SPROs

Training

- ▶ Over 200 NPB members and state regulatory staff have attended PDCs “Understanding Audit” training.
- ▶ Approximately 40 NPB members and staff are involved in the SANC effort.
- ▶ SANC presentations at regional and NPB annual meetings, and regional H.I.S. meetings for the past 3 years.

Training

▶ Pilot

- “Understanding Audit” Training
 - September 10–11, PDC – Frederick, MD
- SANC Training
 - September 30 – October 1, Philadelphia, PA
- Training Manual

Training

- ▶ Obtain feedback from pilot states
 - ▶ Long-term training goal:
 - Work with PDC to develop online training modules for state certifying agency staff
 - ▶ Continue to evaluate and improve module
