Local man fights emerald ash borer

By Hodson Newsroom on Aug 28, 2009 at 1:27 a.m.

Geir Frisoe, who lives in the town of St. Joseph, is leading the fight in Minnesota against the emerald ash borer. Frisoe, who spoke at the Thursday Noon Rotary Club meeting last week, is director of the Plant Protection Division of the Minnesota Department of Agriculture.
The family man
The informer

Thanks Geir!!!

SANC

- Systems Approach to Nursery Certification
- Started in 2010
- Food industry HACCP
  - Hazard Analysis Critical Control Point
- Production Nurseries
- Voluntary
Step #1: Apply
Interested? Talk to your state certifying agency to learn how to apply.

Step #2: Preliminary Meeting
Meet with state certifying agency to understand the process.

Step #3: Risk Assessment
Identify potential pest pathways in your nursery and strategies to address them.

Step #4: Facility Manual
Growers create a plan to address the identified pest risks and keep records of what is done.

Step #5: Audit
To see if you are following your plan and to check if the plan is working.

Step #6: SANC Approved!
Congratulations, you are an approved SANC participant!
Risk Assessment

• Critical Control Points (CCP)
• Best Management Practices (BMP)

State summaries

Why important?
• States
• Industry
• Public

Get those summaries updated!
• New pest(s) found in your state
• New to US
• Sent email by president asking for permission to share with NPB
• If needed, sharing can be delayed
• If no response within 2 weeks, message will be forwarded
DEEP/NPAG review

• Email from PPQ seeking comments
  • Ricardo Valdez – NPAG (New Pest Advisory Group)
  • Erin Otto – DEEP (Deregulation Evaluation of Established Pests)
• Each state responsible for submitting comments
• If state does not agree with NPAG or DEEP recommendation
  • Raise issue to regional or national level
• Helpful to send comments to others in your region
Firewood

- PPQ seeking NPB input on pathway
- Will be call & follow-up survey in fall of 2017
- Look at current state requirements
- Consensus among states?
Imported Fire Ant

• Cross Functional Working Group
  • Rich Johnson (National Program Manager)
  • Melinda Sullivan (National Operations Manager)
  • Anne-Marie Callcot (CPHST)

• IFA committee – NPB
  • John Caravetta AZ, chair
  • Collin Wamsley MO
  • Christel Harden AL
  • Kim Rice MD
Short term priorities

- Compliance agreements/federal shield stamp
- Program materials update
- Maps
  - Quarantine
  - Risk
- GIS based interactive map
- Fire ant program manual is being revised/updated
- In field immunoassay
  - Red & Hybrid
    - Black is being developed
  - Field evaluation

Webinar expected this fall/winter on program updates
Regulated Domestic Pest Program Evaluation Committee

- Julie Van Meter NE (chair)
- Helmuth Rogg OR
- Joe Zoltowski NJ
- Steven Long SC
- Glassy Wing Sharpshooter
- European Larch canker
- Imported Fire Ant
Regulated Domestic Pest Program Evaluation Committee

- National Program Manager (NPM) leads review
- RDPPEC co-chairs keep PPQ & NPB updated on progress/direction
- Near completion NPM reports findings to RDPPEC
- RDPPEC reviews, sends recommendation to NPB President
- NPB membership vote to accept recommendations
- NPB president sends letter to PPQ deputy administrator
NPB Executive Secretary Position

Reviewing job description
Finalize position description by winter of 2018
Advertise position spring 2019
Aurelio 2.0 in place by 2019
NPB meeting
Pathways
Diverse
Successes
It's been quite a ride. I loved every minute of it.

almost
